

Online Patient Portal

24/7 Access to Managing Your Health Care

What is the Patient Portal?

The Patient Portal is an online service providing secure access to your health care information through a convenient, easy-to-use website. It is available to all our patients. Using your own secure password, you can log into the online Patient Portal 24 hours a day, 7 days a week from the comfort and privacy of your home, office, or mobile device.

What do I need to access the Patient Portal?

- An email address
- Access to a computer and the internet

How do I register?

To register for Patient Portal, go to www.womenshealthct.com/portal, click the "Sign up today" link, and enter your information.

Is my information safe?

All communications between you and your provider's office are carried over a secure, encrypted connection and are password protected.

How do I access the mobile app?

Sign in using your iPhone or Android device by visiting www.womenshealthct.com/portal.

What should I do if I need help?

If you experience difficulty when registering, please call our portal support team at 844-877-9576.

Through the Patient Portal, you can:

- Pay your bill
- Request an appointment & check in for your visit
- Exchange secure messages with our office
- Review your test results
- Update your personal information & access your health record
- Request prescription renewals
